and the Members of «Club»

On behalf of the DSRPA I thank you for your entry in the 2005 Dorset Summer Postal League. As a consequence of the difficulties experienced in recent months, and the omission of the Winter League, entries this summer are well down on previous years. However I am optimistic that this will soon return to levels previously experienced.

In the meantime however it does present problems, especially with the 6 yard disciplines. Consequently both the rifle and pistol 6 yard (and team) events will be run under a handicap system. The handicap is an adaptation of the McRae handicap system familiar to prone rifle shooters, and was originally introduced to the Dorset air weapons leagues in 1991/2. However in the past fifteen years both equipment and techniques have improved, so I have modified it to allow for the higher scoring.

I enclose stickers and Score Return Sheets for the forthcoming league. Details of allocation of shooters per division is overleaf, and shooting dates at the bottom of the page, and on the score sheets. The dates given are the date by which I must receive your shot scores; I don't mind how late you shoot them, as long as I receive your scores on time. However be kind to your Club organizer and shoot them in good time. I would suggest that you check your stickers to ensure they are correct, with about 4000 stickers to print some errors wouldn't be unexpected.

There are six cards, five shots per card, to each round, and stickers should be affixed to the face of the target. Shot cards should be retained until you receive results for the final round

You can return your scores either by post to the address above; or by e-mail to barrie@parkstonegunclub.co.uk; either by text, or by Word or Excel attachments.

I will also endeavour to publish copies of Gas & Air on Parkstone's website. Go to parkstonegunclub.co.uk and follow the link to DSRPA.
