May I wish you all a happy and prosperous new year.

Results for rounds 5 & 6 of the Dorset Winter League are attached, and as previously the averages in the 6 Yard Handicap League have been adjusted to reflect the shooter's new average from round 5 on. Those of you having a runaway victory will now find things considerably harder, whilst those struggling at the bottom should begin to catch up.

There were two errors in the results for rounds 3 & 4, both in the 10 metre pistol section. Corrected scores are shown below the main results, and points allocation has been adjusted.

Judging by the number of NCR's the Christmas period presented problems for quite a number of people, myself included. December is always a bad period for me for reasons other than Christmas, always too much to do with not enough time available. Which of course is leading up to an apology for the delay in getting the results out.
