Those of you who have been waiting patiently (or not as the case may be) for nearly three months for medals will find them enclosed. If you receive your results by e-mail you will have had them separately within the past few days. As the initial stock of medals was only enough to partly fulfil requirements, entries from within the Dorset County boundary have been waiting for medals from the Summer 2005 season. The Association now have stocks for some time into the future, and I sincerely hope this situation will not arise again.

My comments concerning medals in the cover letter at the start of the season attracted only three replies. I can only assume that this indicates the majority are happy with the current situation, i.e. first place medals only. Of the replies received one was obviously influenced by the circumstances of their particular club, and the others by a general feeling that medals should be issued to three places. In general a small increase in entry fees was considered acceptable.

However the reality is that medal and engraving costs for the 2005/6 season were in the region of £230.00, issuing medals to 3rd place under the same conditions (i.e. the same engraved medal), would increase those costs to about £650.00, assuming some economies of scale. That's not a small increase, but at the very least a doubling of entry fees. I will leave the matter open until the end of season for the opportunity of further replies before making any decision.

If you are a Dorset based club you will find the complete set of Inter-County results attached. Neither the rifle or pistol team did particularly well, suffering from various disqualifications and setbacks to push them down to the bottom of the league table. Selection for the 2006/7 team will be based on Dorset resident's current averages at the time of entry, usually September.

As practiced in previous seasons the six yard handicap averages will be amended after this round to reflect current form.
