The Members of «Club»

Thank you for your entry to the 2007 Dorset Summer League. I attach all relevant paperwork for the season, and would ask that you check the fixture list against your entry to ensure that your entry is complete, and that you have all the relevant stickers.

Replies to the enquiry concerning six yard leagues last season indicated that in general entrants favoured an 'as shot' league rather than a handicap system, and this has now been adopted. The 6 Yard Team Leagues received only one rifle and two pistol entries, so unfortunately these will have to be abandoned for this season.

The 10 Metre Team Leagues received sufficient entries to make them viable, but not to the extent that it was possible to abandon the handicap system.

The course of fire is as follows:

Course of fire: Each round consists of thirty shots, six cards, five shots per card; with two rounds due each month. Stickers should be affixed to the face of the targets prior to shooting. Cards should be signed and witnessed as per NSRA rules.

Advance shooting: Cards may be shot at any time up until the Last Day of Shooting for that round.

Handicap: The 10 Metre Team Leagues are run using a handicap system adapted from the McRae Handicap used in small-bore rifle.

Target Retention: Shot targets should be retained until the results for round eight has been issued. Targets may be called in for checking on a random basis.

Ties: Ties for medals in all sections will be decided by aggregate score over the season.
