### ROUND 1 & 2 ERRORS

When transcribing the results for rounds 1 & 2 of Division 1 Pistol I inadvertently entered Keith Watts' round one results for both rounds. The corrected results for that division are listed at the foot of the page. My apologies to Keith for the error.

### E-MAILED RETURNS

By the time the closing date for rounds 3 & 4 arrived it became apparent that Tiscali were having problems with their E-mail servers (again), with mail just disappearing. I would suggest that anyone using e-mail for their score returns check the delivery receipt (not read receipt) option in their e-mail client if available. All scores were ultimately received by hotmail Royalmail or fax, although I was surprised when several people said they didn't have a fax. As far as I'm aware all recent Windows operating systems have a fax facility built in, although not configured by default, but not sure about Vista.

On this occasion it was obvious that something was amiss, but under normal circumstances, especially if pushed for time, there is no guarantee that I'll check for wayward mail.
