Late Returns. This season has been plagued by late returns, with nearly 20% being returned anything up to four days late. I don't like NCR'ing anyone, but there has to be some regulation or the leagues will descend into chaos. I don't feel I'll be unjustified in disqualifying any returns made after the closing date without a legitimate reason.

Tough At The Top. The number of shooters exceeding a 275 average on both the rifle and pistol disciplines has doubled since last season. Some are new (to Dorset) shooters, and some have improved their average dramatically; but for whatever reason it makes a more competitive 1st division. On the pistol side we may even see the highest average come from division 2 or 3

Inter-County First results for the County Teams are listed towards the end of these results. The County Teams are suffering from the same malais as the first paragraph, the difference being the NSRA **will** disqualify for late returns. If you're a County Team member please ensure cards are returned on time, failure to do so negates the efforts of the other team members.

Ending on a seasonal note, may I wish you all an enjoyable Christmas.
