### To «Club»

A failed HD Drive two days before these rounds were due did little to instil confidence in a smooth ending to the leagues. However for a change all backups were up-to-date, and so the whole process of re-installation progressed smoothly, if somewhat slowly.

Final results are given on the next few pages, together with a list of averages at the back. Most divisions ended fairly closely fought, with a few position reversals in the higher divisions, both pistol and rifle. In most cases where the gaps were wider this was caused by relatively new shooters who improved their average beyond expectations.

May I congratulate those of you who have won medals; these will be forwarded to your club organiser within two/three weeks.

I thank you all for your entry in the Dorset Leagues, and look forward to seeing you again next season.

*Barrie*

Current and archived results, Gas & Air, averages etc., are also published in PDF format on  
[www.dsrpa.co.uk](http://www.dsrpa.co.uk).

Generally speaking they will be available before postal results are received.

### **DORSET LANDMARKS**

Although Poole Harbour lays claim to being the second largest natural harbour in area in the world it is by no means uncontested. By constant dredging a channel deep enough for vessels up to about 20,000 tons is maintained, but on average depth of water is probably only about 500mm.
