### **Vol 181 February 2011**

#### **Rounds 7 & 8**

Attached are the results for the final rounds of the 2010/11 Dorset Airgun Leagues, together with a list of averages for the current season.

This season was the largest entry to date, over two hundred entries; and for the first time rifle entries exceeded pistol. Despite being discarded by the NSRA the 6 Yard event remains as popular as ever with rifle shooters, with nearly 40% of the entry being for this distance. Pistol shooters for some reason are less enamoured.

I would like to thank all participants for their support of the Dorset Leagues and hope to continue the association next season. I congratulate those of you who achieved a placing, and will forward your medal within the next fourteen days.

Entry forms for next season will be forwarded as soon as available, hopefully early March.

Current and archived results, Gas & Air, averages etc., are also published in PDF format on  
[www.dsrpa.co.uk](http://www.dsrpa.co.uk).

Generally speaking they will be available before postal results are received.

Being back in Div 1 after a few years absence was never going to be easy. The team haven't kept the form they achieved last year, but 2nd is hardly falling by the wayside.

It may look like a two horse race but Middlesex are consistently breaking the 1400 mark leaving Dorset behind on aggregate. Although Yorkshire are trailing at the moment this is due more to luck than poor shooting..
