COVER PICTURE

DORSET LANDMARKS

Man O' War Cove. The unique geology of the Dorset coastline lends itself to the formation of numerous small picturesque coves. Man O' War Cove, lying within St Oswald's Bay, gets its name from the central reef formation, supposedly reminiscent of a naval warship.

However that same geology when combined with the high rainfall experienced in recent years is a lethal combination. There have been major cliff falls on the Dorset coast in each of the past three years; fortunately the two most recent happened at night when the beach was deserted, the first didn't.

Current and archived results, Gas & Air, averages etc., are also published in PDF format on www.dsrpa.co.uk.

Generally speaking they will be available before postal results are received.

The DSRPA also organize Gallery/Sport Rifle Leagues. If you're interested ask for your name to be added to the contact list for this discipline.

NSRA INTER-COUNTY LEAGUES WINTER 2013/4

County Pistol Team

County Team entries are based on results achieved in the same competition in the previous year. With the exception of Robert Harris every team member shot below their submitted average so not surprisingly they didn't do well. Never mind, there's always next year.

County Rifle Team

The County Rifle Team looked as if they were heading for an easy victory until the reliability problems surfaced. The last time I was in this situation and made a few choice comments I got threatened with a libel action. Times have changed and vulnerable, immature 25 year olds now have to be protected from vicious felons like me, so I'll say nothing. I probably don't have to.
