### **DORSET LANDMARKS**

#### **Lyme Regis**

Steeped in history, Lyme Regis is the most westerly town on Dorset's coast. Its origins can be traced back to the eighth century, but it's prosperity as a port didn't arrive until the twelfth century. Probably best known as the landing place of the Duke of Monmouth at the start of the Monmouth Revolution.

More important as a port than Liverpool until the 19<sup>th</sup> century but was unable to handle the increase in ship sizes.

Tiny by today's standards, it is now renowned for its fossils.

Current and archived results, Gas & Air, averages etc., are also published in PDF format on [www.dsarpa.co.uk](http://www.dsarpa.co.uk)

The DSRPA also organize Gallery/Sport Rifle Leagues. If you're interested ask for your name to be added to the contact list for this discipline.
