Final rounds of the 2021 Dorset Leagues. Congratulations to those of you who won medals; they're in the post and will be with you shortly.

I'll endeavour to get Entry Forms for the 2022 Summer League out next month. The extended match periods caused some confusion and hopefully next season we'll be back to normal with one month match periods and team events as usual. Team events are very much dependant on entry numbers to be viable but hopefully we'll see an increase next season.

Thank you to all who supported the Dorset League through difficult times and look forward to seeing you again next season.

COVER PICTURE

SouthWest Coast Path

The Dorset coast with the South West Coast Path and St Oswald's Bay in the foreground, and Swyre Head and Bat's Head in the distance.

The South West Coast path starts on the edge of Poole Harbour and closely follows the coast through Dorset, Devon and Cornwall, until it reaches Minehead in Somerset. The path was originally a coastguard route to stop the smuggling that was rife in the 18th and 19th centuries. The path covers a distance of about 650 miles, and it has been estimated that the ascents made when traversing the route would be the equivalent of four times the height of Everest. I have to say that when covering the Dorset section it also feels like it.

Current and archived results, Gas & Air, averages etc., are also published in PDF format on www.dsrpa.co.uk

The DSRPA also organize Gallery/Sport Rifle and Benchrest Leagues, both open to gas/air rifles. If you're interested ask for your name to be added to the contact list for these disciplines.
