FRONT COVER

Chapman's Pool

Chapman's Pool and Houns Tout cliff. The front cover shows what is probably the most deserted beach in Dorset with access from that particular viewpoint, Emmet's Hill, being via a narrow footpath zig-zagging down the 400 foot drop. Possible but difficult in the summer, but pushing your luck when the winter rains turn the path to a slippery mud slope. In some respects similar to Lulworth, but with a much wilder terrain and no vehicle access.

The buildings at the base were originally a lifeboat station, hardly seems practical given its difficult access.

Current and archived results, Gas & Air, averages etc., are also published in PDF format on www.dsrpa.co.uk
