FRONT COVER

The Lulworth Ranges

The MOD has had possession of the area of the Dorset Coast from Lulworth Cove to Kimmeridge Bay since they commandeered it during WW2. Restricted access is only available at weekends, Bank Holidays, and the month of August when the MOD sweep the trails for any unexploded ordnance.

The cover photo was taken from a huge iron age hillfort that, together with more recent (WW2) military installations, is slowly disappearing into the sea, probably about 50% of it to date.

From here the path leads past Arish Mell to which access is prohibited for some reason, possibly because it was the site of the outflow from the Atomic Energy Research station.

Current and archived results, Gas & Air, averages etc., are also published in PDF format on www.dsrpa.co.uk
